DETAILED ACTION

In the newly filed amendment, claim 19 is designated as 'currently amended' yet there are no amendments to the claims; clarification is required.

Allowable Subject Matter

Claims 12-15 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 19-20 are allowed.

Claim Rejections - 35 USC § 102

Claim 11 is rejected under 35 U.S.C. 102(b) as being anticipated by either Ferguson et al or Burstedt. See the previous office action for this rejection.

Claim Rejections - 35 USC § 103

Claims 11, 16-18 are rejected under 35 U.S.C. 103(a) as being unpatentable over either Ferguson et al or Burstedt. See the previous office action for this rejection.

Response to Arguments

Applicant's arguments filed 9/5/07 concerning the above rejected claims have been fully considered but they are not persuasive. The arguments are not commensurate in scope with the claimed subject matter. For example, where in the rejected claims is a time period claimed?

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
